

Rockets

- ❖ Read and listen to lots of star books;

- ❖ Draw & label your own rocket
- ❖ Search around your house and find resources to build your own rocket.
- ❖ Make a list of the food you would take with you for a picnic on the moon.
- ❖ Make your own toy rocket

- ❖ Write instructions; How to make a rocket.

- ❖ Look at the moon every night, what shape is it? Draw the shape you see and keep a moon diary.

My Moon Diary Name: _____
Month: _____

Starting at the beginning of the month, each evening go outside and shade in the amount of the moon that you cannot see. Do the whole part or half look like what you can see. Do this for the entire month and see what you notice.
