With it being World Book Day on 4th March, you might want to create a board game based on your favourite book or super hero. The choice is yours. To be eco-friendly you could use recycled materials. Perhaps draw the design on an old box or the inside of a cereal packet. Colour to make it attractive. Write instructions for your game and finally, play it with a member of your family. If you are able to, share your amazing work with us, via the school's email address or the Year 4 teams area.</p>
