Corona virus has and is meaning we are not doing things as we previously would be. Throughout the pandemic you have done an amazing job and we are so very proud of each and every one of you. We have everything crossed that there is light at the end of what feels like an extremely long tunnel. With this in mind we would like you to think about when lockdown is over, and restrictions have eased. What are you looking forward to doing?</p> <p>With this in mind, draw a bottle on a piece of A4 paper and then draw or write a list of the things you would like to do once lockdown is over and restrictions are eased. Be as creative as you like.</p>
